About SunCar Technology Group Inc.

Founded in 2007, SunCar is transforming the customer journey for auto services and auto insurance in China, the largest passenger vehicle market in the world. SunCar develops and operates cloud-based platforms that seamlessly connect drivers with a wide range of auto services and insurance coverage options through a nationwide network of sales partners. As a result, SunCar has established itself as the leader in China in the auto eInsurance market for electric vehicles and the B2B auto services market. The Company's intelligent cloud platform empowers its enterprise customers to access, manage, and optimize their auto eInsurance and auto service offerings. Through SunCar, drivers gain access to a wide variety of high-quality services from tens of thousands of independent providers, all from a single application.
